

REMARKS

In reviewing the Claims and Specification prior to payment of the Issue Fee, two obvious typographical errors were noted, one in the Specification and one in the Claims. This 312 Amendment is presented to correct these obvious typographical errors.

First, in the paragraph bridging pages 4 and 5 on the last line, it was noted that "not" was misspelled. Correction has been made herein.

In the Claims, in the last line of Claim 1, it was noted that the light absorbance recited on the last line was incorrect. The proper light absorbance is 0.08, not 0.8. The fact that this is an obvious typographical error can be seen by reviewing original Claim 1 as filed and the paragraph bridging pages 4 and 5.

Both of these amendments are clearly correction of obvious typographical errors and do not add any new matter to this Application.

Reconsideration and entry of this 312 Amendment is respectfully requested. Should any fees or extensions of time be necessary in order to maintain this Application in pending condition, appropriate requests are hereby made and authorization is given to debit account #02-2275.

Respectfully submitted,
